

CCFLS

Our mission is to provide a gathering place for all local youth to showcase their agricultural projects and skills. It creates educational, social, cultural and economic opportunities to preserve and promote agriculture and traditions at both ends of the country. The CCFLS provides the most valuable, educational and entertaining experience that resources will allow.

Thank you to all our CCFLS Sponsors who remain dedicated to the mission of supporting the youth of Cameron County with their agriculture projects.

A special “Thank You” to all the Cameron County 4H Club Leaders and FFA Chapter Advisors for the countless hours of leadership, guidance, and encouragement that they provide the youth in their respective organizations. CCFLS shares in your passion for recognizing and rewarding our youth.

Stay Safe,
CCFLS Committee Members

Cameron County Fair and Livestock Show

2021 Plan of Action

February 4-6, 2021

2021 Cameron County Fair & Livestock Show

In planning for the 2021 Cameron County Fair and Livestock Show, the health and safety of the exhibitors, their families, and all in attendance are our priority.

The measures implemented are the show's demonstrated efforts to mitigate risks associated with the ongoing Covid-19 national situation. CCFLS worked with federal, state and local officials and recommendations in order to prepare as best as possible to allow the continuation of the show in 2021.

The ability to continue to host a livestock show, award senior scholarships, and continue the partnership with the Los Fresnos Lions Club, the Los Fresnos PRCA Rodeo & Rodeo Queen, the community of Los Fresnos and the agriculture youth organizations of Cameron County are the first and foremost goals of the Cameron County Fair & Livestock Show Board and Committee members for 2021.
